

Annual Award Event
at
Brahmapur Sheik Children's Academy

18 May 2012

The Brahmapur Sheik Children's Academy recently celebrated its annual programme, with the distribution of the academic and sports prizes, recitals and performances. It was a three and a half hour evening event, beginning with the prize giving and speeches of congratulations. The students sang, performed dances, and gave recitations. As well, the school teachers sang a chorus. Rabindra sangeet (Tagore Song) and other songs were rendered by a college student Sayan Roy accompanied with his guitar, while a talented new teacher, Debjani Nandy, gave a solo song performance. Manisha and Saradindu Adhikary were the principal dancers.

The finale was a play performed by the students. In spite of a delay from a storm and a power cut, the event went very well and was enjoyed by all who came.

All the teachers were there, and TCA was represented by Srm Arpita Send and Srm Arpita Sengupta. Sri Roy, husband of the school teacher Srimati Geeta Roy, was master of ceremonies. Arpita Sen moderated the evening as sobhapati, and her gracious speeches and management, in spite of her illness, were very much appreciated. We welcomed Jyotirmoy babu who has given his valued support to every award event of BSCA.
