The Toronto Calcutta Foundation Support

This summer we celebrated the 10th anniversary of this vital and progressive program.

Girlz Space Camp has become a much anticipated event in the community each year; It is through your generous support that we continue to offer such dynamic services and effective programming.

Thank-you Toronto Calcutta Foundation

Thank you for being a catalyst for positive change. You are enabling work that will impact the girls far beyond their time here at Women's Habitat. The skills, confidence and abilities gained through this program will serve them well for years to come.

Your compassion and generosity and ongoing investment is changing and saving lives. Every child deserves to live a life of dignity and self-worth free of violence; your dedication is helping to make that a reality.
